MEMORANDUM FOR: Contracting Officer, DPS/DCI

SUBJECT : Contract INC-143 with Eastman-Kodak Company

1. There has been some question in this office as to the meaning of the following paragraph which is quoted from Amendment No. 1 of the cited contract:

"The rates specified for the period 31 Dec. 1956 through 29 Dec. 1957 are provisional until such time as revised rates are negotiated for that period."
(underlined for emphasis)

2. We are unable to determine whether the intention, of the parties involved, was to use the provisional rates just for the period 31 Dec. 1956 through 29 Dec. 1957 (unless otherwise made firm through negotiations) or whether it was the understanding that these rates would continue on a tentative basis beyond 29 December 1957, or if new tentative rates would be established for the period beginning 30 December 1957. (The contractor is presently using rates which are not consistent with those stated in Amendment No. 1)

3. It is requested that you advise the intent of both contracting parties concerning the above quotation, or forward a statement signed by the contractor and contracting officer, setting forth the acceptable burden rates (tentative or firmly fixed) to be employed in processing vouchers involving costs generated after 29 December 1957.
